

**Perm National Research Polytechnic University  
Russian Society for Soil Mechanics and Geotechnical  
Engineering  
Association of Siberian Geotechnical Engineers**

**All-Russian geotechnical conference with international participation  
„Deep foundations and geotechnical problems of the areas“**

29 to 31 May 2024

Bulletin № 1

**Perm**

## ***DEAR COLLEAGUES!***

We invite you to participate in  
**All-Russian geotechnical conference with international participation**  
**„Deep foundations and geotechnical problems of the areas“**,  
which will be held in *Perm National Research Polytechnic University*  
from 29 to 31 May 2024

### **CONFERENCE ORGANIZERS**

- Perm National Research Polytechnic University
- Russian Society for Soil Mechanics and Geotechnical Engineering
- Association of Siberian Geotechnical Engineers

### **CONFERENCE TOPICS**

1. Specifics of engineering investigations, assessment of physical and mechanical properties of the soils of foundation bases and underground structures
2. Experimental and theoretical studies of foundations and soil bases
3. State-of-the-art technologies for the strengthening of soil bases, construction and reconstruction of foundations and underground structures, geotechnical monitoring

### **ORGANIZING COMMITTEE**

- Anatolii Tashkinov A.A., Chairman of the Organizing committee, Acting rector of PNRPU, DSc, Professor;
- Vadim Ofrikhter, Vice-chairman of the Organizing committee, Head of the department “Construction operations and geotechnics”, DSc, PNRPU;
- Leonid Nuzhdin, PhD, Professor, Chairman of the Association of Siberian Geotechnical Engineers;
- Alla Grishina, Secretary of the Organizing committee, PhD, Associate Professor, PNRPU

## SCIENTIFIC COMMITTEE

- Viacheslav Ilichev, Chairman of the Scientific Committee, DSc, Professor, Vice-President RAASN, President RSSMGFE;
- Leonid Bartolomei, DSc, professor, TIU (Tyumen, Russia);
- Aleksandr Bekker, DSc, Professor, FEFU (Vladivostok, Russia);
- Tatiana Belash, DSc, Professor, Research Center of Construction (Moscow, Russia);
- Aleksandr Bogomolov, DSc, Professor, (Volgograd, Russia);
- Gennadii Boldyrev, DSc, Professor, PSUAC (Penza, Russia);
- Boris Bondarev, DSc, Professor, LSTU (Lipetsk, Russia);
- Nikolai Vatin, DSc, Professor, SPbPU (St.Petersburg, Russia);
- Serge Varaksin, Scientific advisor “Apageo”, Core member of TC 102 ISSMGE (France);
- Fahraddin Gabibov, PhD, Senior Researcher, AzSRICA (Republic of Azerbaijan);
- Viacheslav Glagovskii, DSc, Professor, “Vedeneev VNIIG” JSC, (St Petersburg, Russia);
- Viacheslav Glukhov, PhD., Professor, PGUAS (Penza, Russia)
- Alfred Gotman, DSc, Professor, NIIOSP (Moscow, Russia);
- Natalia Gotman, DSc, Professor, MIIT (Moscow, Russia);
- Erol Guler, PhD, Professor, (Istanbul, Turkey);
- Sarat Kumar Das, PhD, Professor, IIT (ISM), (Dhanbad, India);
- Andrea Dominijanni, PhD, Politecnico di Torino, Chairman of TC 215 ISSMGE (Torino, Italy);
- Askar Zhussupbekov, DSc, Professor, EANU (Republic of Kazakhstan);
- Vladimir Znamenskii, DSc, Professor, MGSU (Moscow, Russia);
- Konstantin Korolev, DSc, Professor, STU (Novosibirsk, Russia);
- Aleksandr Kremnev, PhD, Chairman of Belorussian Public Association of Geotechnical Engineers (Republic of Belarus)
- Sergei Kudriavtsev, DSc, Professor, FESTU (Khabarovsk, Russia);
- Rashid Mangushev, DSc, Professor, SPbGASU (St.Petersburg, Russia);
- Sergei Matveev, DSc, Professor, SibADI (Omsk, Russia);
- Ilizar Mirsaiapov, DSc, Professor, KSUAE (Kazan, Russia);
- Aleksandr Nevzorov, DSc, Professor, NArFU (Arkhangelsk, Russia);
- Nadezhda Nikiforova, DSc, Professor, MGSU (Moscow, Russia);

- Leonid Nuzhdin., PhD, Professor, NSUACE (Sibstrin) (Novosibirsk, Russia);
- Vladimir Paramonov, DSc, Professor, PGUPS (St.Petersburg, Russia);
- Arkadii Petukhov PhD, JSK “StiTDSK” (Tomsk, Russia);
- Aleksei Piliagin, DSc, Professor (Ioshkar-Ola, Russia);
- Anatolii Polishchuk., DSc, Professor, KubSAU (Krasnodar, Russia);
- Andrei Ponomarev, DSc, Professor, SPMU (St.Petersburg, Russia);
- Iakov Pronozin, DSc, Professor, TyuIU (Tyumen, Russia);
- Anatolii Protosenia, DSc, Professor, SPMU (St.Petersburg, Russia);
- Aleksei Savinov, DSc, professor, NPP “Geotechnics-SPI” (Saratov, Russia);
- Igor Sakharov, DSc, Professor (St. Petersburg, Russia);
- Gennadii Skibin, DSc, Professor, SRSPU (NPI) (Novocherkassk, Russia);
- Armen Ter-Martirosian, DSc, Professor, MGSU (Moscow, Russia);
- Tamara Ulasik, PhD, Associate Professor, BNTU (Minsk, Republic of Belarus);
- Vladimir Ulitskii, DSc, Professor Emeritus, PGUPS (St.Petersburg, Russia);
- Askar Khasanov, DSc, Professor, Chairman of Uzbekistan Geotechnical Society (Republic of Uzbekistan);
- Nikita Tsimbelman, PhD, Associate Professor, FEFU (Vladivostok, Russia);
- Dmitrii Chiuniuk, PhD, Associate Professor, MGSU (Moscow, Russia);
- Rafael Sharafutdinov, PhD, Director of NIIOSP (Moscow, Russia);
- Keh-Jian Shou, PhD, Professor, National Chung-Hsing University, Vice President for Asia, ISSMGE (Taichung City, Taiwan);
- Aleksei Shashkin, DSc, Professor, PGUPS (St.Petersburg, Russia);
- Oleg Shuliatev, DSc, Deputy Director of NIIOSP (Moscow, Russia).

## **PUBLICATION OF CONFERENCE PROCEEDINGS**

Papers presented by the authors will be published in the electronic Proceedings with indexing in Russian Index of Scientific Citation (RISC E-library).

The texts of the submitted articles should strictly correspond to the provided template. Requirements for the design of articles for the RISC E-library collection are given on the website <https://dfg2024.pstu.ru/en/>

Best papers by the decision of the Conference Scientific Committee will be published in the scientific journal "Construction and Geotechnics", which is included in RSCI.

## **REGISTRATION OF PARTICIPANTS**

Registration of conference participants is carried out via the "Registration" button on the conference website <https://dfg2024.pstu.ru/en/>

Conference Program will be published in the Bulletin No. 2 which will be posted on the website <https://dfg2024.pstu.ru/en/> and sent to registered participants.

## **IMPORTANT DATES**

Publication of Bulletin №1 – December 2023

Application and Paper Submission Deadline – March 4, 2024

Submission of the papers – March 18, 2024

Publication of Conference Program – April 29, 2024

Arrival of participants – May 28, 2024

## **REGISTRATION FEE**

To ensure the work of the Conference, covering the costs of publishing the Organizing Committee set a registration fee of 3600 rubles (including VAT).

To pay the registration fee, the participant can conclude an agreement with PNRPU, get an invoice for payment, and pay it until May 15, 2024.

## **Organising Committee**

614990 Perm, 29, Komsomolsky Prospect,

Perm National Research Polytechnic University

Department „Construction Operations and Geotechnics“

Ph. +7 (342) 2198-374

Vice-Chairman of the Organizing Committee - Vadim Ofrikhter

Conference Secretary – Alla Grishina

Ph./Fax +7 (342) 2198-377, E-mail: [geotechnicsperm@mail.ru](mailto:geotechnicsperm@mail.ru)

Registration – Olga Shutova

Ph. +7 (342) 2198-374, E-mail: [gshperm@mail.ru](mailto:gshperm@mail.ru)
